

# Inside Out (PBR Streetgang Remix)

## Odyssey

When you're sittin' on your own  
And you feel the city life surround you  
And she's always on the phone  
But you just don't think that you can fight  
Don't give up, don't give up, don't give up  
Don't give up, don't give up, darlin', in what you dream  
'Cause like the words here in this song  
We'll go on and on and on with our love, yeah  
I wanna be inside out, oh, darlin'  
I wanna be so deep that you'll be leavin' me  
(Inside out) Over and over and over again  
(I wanna be) Inside out, oh, darlin'  
I want it be so deep that you'll be turnin' me  
(Inside out) I want it be so deep that you'll be leavin' me  
When you're lyin' in her bed  
And you're in her arms instead of mine  
As you feel her tightening grip  
Like a genie I will slip in your heart  
I won't give up, won't give up, won't give up  
Oh...I won't give up, darlin', in what you dream  
Like the notes here in this song  
We'll go on and on and on and on with our love, yeah  
(I wanna be) Inside out, oh, darlin'  
Oh, I wanna be so deep that you'll be leavin' me  
(Inside out) Over and over and over again  
(I wanna be) Inside out, oh, darlin'  
Oh, I've got to be so deep that you'll be leavin' me  
(Inside out) Over and over and over and over again  
Oh, I wanna be (I wanna be) you'll be needing me  
Inside out, oh, darlin'  
Whoa, I've got to be so deep that you'll be turnin' me, turnin' me  
(Inside out) Over and over again  
Inside out - You and I must stay  
Inside out - Can't believe this way  
Inside out - You and I must stay  
Inside out 'Cause I've got to have you, babe  
When you're sittin' on your own  
And you feel the city life surround you  
And she's always on that phone  
And you just don't think that you've got the strength to fight it  
Don't give up, don't give up, don't give up  
Oh, don't you go and give up, darlin', in what you dream  
'Cause like the words here in this song  
We'll go on and on and on with our love, yeah  
(I wanna be) Inside out, oh, darlin'  
I wanna be so deep that you'll be leavin' me  
(Inside out) Oh, darlin' Inside out  
Inside out

Inside out

Inside out Don't give up, don't give up, don't give up, don't give up Inside out, oh, darlin'

I wanna be so deep that you'll be leavin' me

Inside out, oh, darlin'

(I wanna) Oh, I want it to be so deep that you'll be turnin' me, turnin' me

(Inside out) Inside out, inside out, oh, darlin'

(Inside out) Oh, I want it to be so deep that you'll be turnin' me (I wanna be) Inside out, inside out, oh, darlin'

I'd like to be so deep that you'll be needing me

(Inside out) Turnin' me

Won't give up, won't give up (I wanna be), won't give up, darlin', no

(Inside out)

Oh, I won't give up, don't give up, darlin', darlin', darlin'

(Inside out)

'Cause still you're needin' me
