Do The Vampire

Superdrag

In a car crash, in a bed fire
Do the backlash, do the vampire
In the same place with a straight face
Twist the knife out, do the hip-shakeDead on the inside, dead on the inside
We don't wanna know, dead on the inside
We don't want to know a secret, we don't think it bears repeating
We don't want to know what's really going on, onIn a car chase on a tripwire
Do the head case, do the vampireDead on the inside, dead on the inside
We don't wanna know, dead on the inside
We don't want to know a secret, we don't think it bears repeating
We don't want to know what's really going on, onWe don't want to know what's really going on
We don't want to know what's really going onWe don't want to know a secret, we don't think it bears repeating
We don't want to know a secret, we don't think it bears repeating
We don't want to know a secret, we don't think it bears repeating
We don't want to know a secret, oh, oh
