Butchering Death

Jungle Rot

Blood running through
my veins
shot of dope to my brain
cracking down your
fucking spine
struggling through the
endless lienever seems to look the
same
evil in his eyes
deceiving you soaked
with rage
butchering deathafter death we will
awake
and arise from the
depths of hell
rotten zombies out for
blood
butchering and
mutilating bodiespsychotic
insane butchery
tasting
your blood from menever seems to look the same
evil in his eyesdeceiving you soaked with rage
butchering deathevil that comes from within
controlling you I live on your sinsgaining strength from all your lies
I can see through your demiseI feed on violence
I hear your screaming
I see your death
through your eyesI live hate
on violence you're screamingI'm insane in a rage
await to see how you will die
I crave your blood the innocent cry
I'll tell you things you don't want to hear
when you think of me you'll think of fearI feed on violence
I hear your screaming
I see your death through your eyes
I live hate on violence you're screamingBlood running through my veins
shot of dope to my brain
cracking down your fucking spine

struggling through the endless lie
