

# Butchering Death

## Jungle Rot

Blood running through  
my veins  
shot of dope to my brain  
cracking down your  
fucking spine  
struggling through the  
endless lienever seems to look the  
same  
evil in his eyes  
deceiving you soaked  
with rage  
butchering deathafter death we will  
awake  
and arise from the  
depths of hell  
rotten zombies out for  
blood  
butchering and  
mutilating bodiespsychotic  
insane butchery  
tasting  
your blood from menever seems to look the same  
evil in his eyesdeceiving you soaked with rage  
butchering deathevil that comes from within  
controlling you I live on your sinsgaining strength from all your lies  
I can see through your demiseI feed on violence  
I hear your screaming  
I see your death  
through your eyesI live hate  
on violence you're screamingI'm insane in a rage  
await to see how you will die  
I crave your blood the innocent cry  
I'll tell you things you don't want to hear  
when you think of me you'll think of fearI feed on violence  
I hear your screaming  
I see your death through your eyes  
I live hate on violence you're screamingBlood running through my veins  
shot of dope to my brain  
cracking down your fucking spine

struggling through the endless lie
