

Powerless

The Flaming Lips

You hid your skeletons when I had shown you mine
You woke the devil that I thought you'd left behind
I saw the evidence The crimson soaking through
Ten thousand promises Ten thousand ways to lose

[Chorus]And you held it all

But you were careless

To let it fall

You held it all

And I was by your side

Powerless

I watched you fall apart and chased you to the end.
I'm left with emptiness that words cannot defend.
You'll never know what I became because of you.

Ten thousand promises

Ten thousand ways to lose

[Chorus]And you held it all

But you were careless

To let it fall

You held it all

And I was by your side

Powerless

[Chorus]And you held it all

But you were careless

To let it fall

You held it all

And I was by your side

Powerless

Powerless

Powerless
