Pay Me Later

Colin Blunstone

PAY ME LATER
Blunstone-DennysEvery time that you get down
I count the seconds 'til you'll be around
I wish just once we could start again
Rememberin' the happiness that we once found.If you want me to listen to you now
Oh boy you're gonna have to pay me later
If you want me to listen to you now
Oh boy you're gonna have to pay me later.
Well you may not look like Brigitte Bardot
But you got rhythm in your big black toe
It shakes my roots and makes me tootie toot toot
Tootie toot tootie toot tootie toot tootie toot.If you want me to listen to you now
Oh boy you're gonna have to pay me later
If you want me to listen to you now
Oh boy you're gonna have to pay me later.Well I may not look like Gregory Peck
But when I whisper sweet nothings too close to your neck
You know you won't have to fake it
Shake it, shake shake shake shake shake shake it.
If you want me to listen to you now
Oh boy you're gonna have to pay me later
If you want me to listen to you now
Oh boy you're gonna have to pay me later.
