

Siamese Dream

Smashing Pumpkins

Coming down
From my Siamese dream
All we know
Is silent to the dream Motherfuckers try to crack your crown
Break your up and suck you out
Scoop you up like a little fish
Make you wish for more than this Coming down
From my Siamese dream
All we know
Well, it's silent to the dream Motherfuckers try to crack your crown
Break your up and suck you out
Scoop you up like a little fish
And make you wish for more than this
