

Hey Girl

Zooey Deschanel

Don't let the sunshine fall from the sky
Just find the sunshine in your own eyes
You're a lollipop, no second prize
An apple somewhere, in somebody's eyes Hey girl, whatcha' doing?
Hey girl, where you going?
Shot in the arm, a twinkly eye
She could have fell, fell out of the sky
She could have fell right out of the sky
Who's that girl? (Who's that girl?)
Who's that girl? (Who's that girl?)
Don't let the moonshine cry up the night
Step from your shadow, and make it bright
You're a lollipop, no second prize
An apple somewhere, in somebody's eyes Hey girl, whatcha' doing?
Hey girl, where you going?
You get down, and make a frown
She'll come turn, turn, turn it around
She'll come turn, turn, turn it around
Who's that girl? (Who's that girl?)
Who's that girl? (Who's that girl?)
Hey girl. Whatcha' doing?
Hey girl. Where you going?
You get down, and make a frown
She'll come turn, turn, turn it around
She'll come turn, turn, turn it around
Who's that girl? (Who's that girl?)
Who's that girl? (Who's that girl?) It's Jess!
