

# Wth>You

## LINKIN PARK

Come on I woke up in a dream today  
To the cold of the static and put my cold feet on the floor  
Forgot all about yesterday  
Remembering I'm pretending to be where I'm not anymore A little taste of hypocrisy  
And I'm left in the wake of the mistake slow to react  
Even though you're so close to me  
You're still so distant and I can't bring you back It's true the way I feel  
Was promised by your face  
The sounds of your voice, painted on my memories  
Even if you're not now with me I'm with you You know, now I see keeping everything inside  
(With you)  
You know, now I see even when I close my eyes  
(With you) You know, now I see keeping everything inside  
(With you)  
You know, now I see even when I close my eyes  
(With you) I hit you and you hit me back  
And we fall to the floor the rest of the day stands still  
Fine line between this and that  
But when things go wrong I pretend that the past isn't real And I'm trapped in this memory  
And I'm left in the wake of the mistake, slow to react  
Even though you're close to me  
You're still so distant and I can't bring you back It's true the way I feel  
Was promised by your face  
The sound of your voice painted on my memories  
Even if you're not with me, I'm with you You know, now I see keeping everything inside  
(With you)  
You know, now I see even when I close my eyes  
(With you) You know, now I see keeping everything inside  
(With you)  
You know, now I see even when I close my eyes  
(With you) No, I won't let you control my fate  
While I'm holding the weight of the world on my conscience  
No, I won't just sit here and wait  
While you weighing your options you're making a fool of me No, You didn't dare try to say  
That you don't care you solemnly swear not to follow me there  
No, it ain't like me to beg on my knees  
Oh, please, oh baby, please that's not how I'm doing things No, I'm not upset, no I'm not angry  
I know love is love, love sometimes it pains me  
With or without you I'll always be with you

You'll never forget me, I'm keeping you with me  
No, I won't let you take me to the end of my rope  
While you burn and torture my soul  
No, I'm not your puppet and no, no, no, I won't let you go  
No matter how far we come, I can't wait to see  
tomorrow  
No matter how far we come, I, I can't wait to see tomorrow  
You now I see keeping everything inside  
(With you)  
You now I see even when I close my eyes  
(With you)  
You now I see keeping everything inside  
(With you)  
You now I see even when I close my eyes  
(With you)
