

Come Take My Hand (Klassik Instrumental Version)

DJ Bobo

Come with me
And use your fantasy
A secret galaxy
A nomansland
Come with me
Forget reality
Believe in destiny
Come take my hand Enjoy your life
Feel the freedom of thoughts
Enjoy your life
Dreams will never be caught Come take my hand
Walk through the rainbow and enjoy wonderland
I'll show you mysteries
Come take my hand
Don't be afraid to walk this way
To a glorious day Every day
You'll find another way
Come let the wizard say
His magic words
Take the chance
And feel the great suspense
It will be so intense
But never hurts Enjoy your life
Feel the freedom of thoughts
Enjoy your life
Dreams will never be caught Come take my hand
Walk through the rainbow and enjoy wonderland
I'll show you mysteries
Come take my hand
Don't be afraid to walk this way
To a glorious day Enjoy your life
Feel the freedom of thoughts
Enjoy your life
Dreams will never be caught Come take my hand
Walk through the rainbow and enjoy wonderland
I'll show you mysteries
Come take my hand
Don't be afraid to walk this way
To a glorious day Come take my hand

Walk through the rainbow and enjoy wonderland
I'll show you mysteries
Come take my hand
Don't be afraid to walk this way
To a glorious day
