

# Seems Like Such a Long Time Ago (Demo)

[Jim Croce](#)

Seems like such a long time ago  
I was walking on a lonely road  
Getting tired of dreaming alone  
Like all the lonely people I had known  
Seems like such a long time ago  
There was no one who would share my song  
I was just a boy far from home  
But I became a man when you came along  
We spent the whole night talking  
You said you'd like to see the sun rise  
But in the gold of morning  
It was nothing that I had not seen in your eyes  
hmmm  
I was so afraid to touch you  
Thought you were too young to know  
So i just watched you sleeping  
Then you woke and said to me  
"The night is cold it frightens me  
But I could sleep so easy next to you"  
It wasn't very long ago  
You said that you would like to share my road  
Then you started singing my song  
We spent so many nights awaiting  
Let's not spend a moment wasting  
Time cause we have very far to go  
I will go if you will take me  
I have never had a lover  
I am young but I am so alone  
We spent the whole night talking  
But in the gold of morning  
hmmm
