

If That's What It Takes

Michael McDonald

How do I please you
How do I please you
How do I please you
How do I please you
Girl, in your one way heart
In your one track mind
How do I please you
How do I please you Oh, when I say that you're the only one
I'm not tryin' to fool you, baby
Well, I'm only here to get the job done
'Cause you're so used to getting what you want
Well, look no further, baby If that's what it takes
I don't need to know anymore
Ain't no doubt about it
That's what I came here for So how do I please you
How do I please you
Girl, in your one way heart
In your one track mind
How do I please you
How do I please you Well, I don't know much about the life you lead
But it ain't enough just to offer my heart
Girl, I know I could get you what you need
'Cause you're so use to getting what you want
Well, look no further, baby If that's what it takes
I don't need to know anymore
Ain't no doubt about it
That's what I came here for If that's what it takes
I ain't gonna lose any time
Whatever you want from me, baby
Whatever it takes to make you mine
