

# We Reach for You

[Shana Wilson](#)

We reach for You  
And we seek Your face  
We open the gates to Your glory  
With open arms  
I'll stretch to You, Lord  
We don't want to leave this place of Your glory

We lift our hands, lift our hearts  
We give You everything  
We sing this song unto You  
We crown You, Lord and King

We lift our hands, lift our hearts  
We give You everything  
We lift our hands, lift our hands  
To reach for You

We crown You, Lord and King [repeat]

We give You everything [repeat]

We lift our hands lift our hands to reach for You
