

# Big House

## Caitlin Cary

I don't know where you lay your head  
Or where you call your home  
I don't know where you eat your meals  
Or where you talk on the phoneI don't know if you got a cook  
A butler or a maid  
I don't know if you got a yard  
With a hammock in the shadeI don't know if you got some shelter  
Say a place to hide  
I don't know if you live with friends  
In whom you can confideI don't know if you got a family  
Say a mom or dad  
I don't know if you feel love at all  
But I bet you wish you hadCome and go with me  
To my fathers house  
Come and go with me  
To my fathers houseIt's a big, big house with lots and lots a room  
A big, big table with lots and lots of food  
A big, big yard where we can play football  
A big, big house it's my fathers houseAll I know is a big ol' house  
With rooms for everyone  
All I know is lots a land  
Where we can play and runAll I know is you need love  
And I've got a family  
All I know is your all alone  
So why not come with me?Come and go with me  
To my fathers house  
Come and go with me  
To my fathers houseIt's a big, big house with lots and lots a room  
A big, big table with lots and lots of food  
A big, big yard where we can play football  
A big, big house it's my fathers house  
My fathers houseCome and go with me  
To my fathers house  
Come and go with me  
To my fathers houseIt's a big, big house with lots and lots a room  
A big, big table with lots and lots of food

A big, big yard where we can play football  
A big, big house it's my fathers houseIt's a big, big house with lots and lots a room  
A big, big table with lots and lots of food  
A big, big yard where we can play football  
A big, big house it's my fathers house
