

Destination Overdrive (DFA Remix)

Chromeo

Moving at the speed of ray beams
'Cause slowing down is bad luck
Make the wrong decision
You'll be left out in the cold Destination, rhythm nation
Living life in overdrive
Liberation, proclamation
Do you wanna join the ride? No 'Ifs and Buts' or 'Maybes'
'Cause there is no tomorrow
We fight for fame and fortune
Before we get too old Destination, rhythm nation
Living life in overdrive
Liberation, proclamation
Do you wanna join the ride? Destination, rhythm nation, time is right now
Overdrive we vocalize our brand new lifestyle
Liberate no time to waste before we fade away
'Cause tomorrow is too late to fight for a better day Destination, rhythm nation
Living life in overdrive
Liberation, proclamation
Do you wanna join the ride?
