

# Last Drop

Kevin Lyttle

You, you, you, you, you, you yeah  
You, you, you, you baby you  
Want to say you You say that you want it  
You say that you need it  
You say that you like what I do  
And I do what I do to you But it's driving me crazy yo  
'Cuz you keep on harassing me yo  
Keep telling me you're wanting me So I'm gonna make you scream my name  
I'm gonna make you holla for more  
And if I ain't gonna stop baby  
Till I'm down to the very last drop Wanna say it and lady it's all about  
You, you, you, you, you, you  
My babies  
It's you, you, you, you, you, you You say that you love it  
The way that I do it  
You say that it's making you freaky  
When I'm not around to do to you But it's driving me crazy  
'Cuz you keep on harassing me  
Keep telling me you're wanting me So I'm gonna make you scream my name  
I'm gonna make you holla for more  
And I ain't gonna stop baby  
Till I'm down to the very last drop  
My babies, my babies I'm gonna make you scream my name  
I'm gonna make you holla for more  
And I ain't gonna stop baby  
Till I'm down to the very last drop K is for the kisses I give to you  
E is for everything I do  
V is for the visits I visit you  
Baby you know that I is for the way you inspire me  
N is for how nasty  
Sexually we can be  
Baby yeah I'm gonna make you scream my name  
I'm gonna make you holla for more  
And girl I aint gonna stop baby  
Oh till I'm down to the very last drop Make you scream my name  
Make you holla for more  
I'm gonna make you scream my name
