

# Better Together

Jack Johnson

There's no combination of words I could put on the back of a postcard  
No song that I could sing but I can try for your heart  
Our dreams and they are made out of real things  
Like a shoebox of photographs with sepia-toned lovin' Love is the answer at least for most of the questions in  
my heart, like  
"Why are we here?" and, "Where do we go?"  
And, "How come it's so hard?"  
It's not always easy and sometimes life can be deceiving  
I'll tell you one thing it's always better when we're together Yeah, it's always better when we're together  
Mmm, we'll look at them stars and we're together  
Well, it's always better when we're together  
Yeah, it's always better when we're together And all of these moments  
Just might find their way into my dreams tonight  
But I know that they'll be gone when the morning light sings  
Or brings new things for tomorrow night you see  
That they'll be gone too, too many things I have to do But if all of these dreams  
Might find their way into my day-to-day scene  
I'd be under the impression I was somewhere in between  
With only two, just me and you, not so many things we got to do  
Or places we got to be, we'll sit beneath the mango tree now Yeah, it's always better when we're together  
Mmm, we're somewhere in between together  
Well, it's always better when we're together  
Yeah, it's always better when we're together I believe in memories they look so, so pretty when I sleep  
And when I wake up, you look so pretty sleeping next to me  
But there is not enough time, and there is no, no song I could sing  
And there is no combination of words I could say  
But I will still tell you one thing, we're better together
