

# Catch A Fire

Haddaway

Me and you, ooh  
In the heat of the sun  
Our life has begun  
Like a flame Me and you, ooh  
All alone in the sand  
I will burn in your hand  
And should my will arise to the sky Catch a wind, catch a rainbow, catch a fire  
Catch a fire, catch a fire  
Catch a wind, catch a rainbow, catch a fire  
Catch a wind, catch a rainbow, catch a fire  
Catch a fire Me and you, ooh  
In the night we will hide  
In the flow of the tide  
Oh, the shore Me and you, ooh  
There's a message for me  
In the sound of the sea  
I must hold you and never let go You just gotta go  
All you need  
You can have  
All my, all my, all my love
