

# Murder

## (hed) P.e.

Work it, work it, hear that sound?  
That's the sound of me pounding you  
That's the way, uh huh, wrecking you  
I like it, uh huh uh huh  
Come on  
Ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder  
Oh momma, you look so fine  
That little ass sittin' up so high  
Caught my eye when you first walked by  
Let's have a drink, let's go get high  
Let's have a drink, let's go get high  
I want my face between your thighs  
I'll make you laugh, I'll make you cry  
I bet that pussy's oh so tight  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could ever tear you the way that I can  
Take you to the top of the places, I can  
I can never stop, I'm a drity old man  
You can be my lady but I'll never be your boyfriend  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could bend you over the way that I can  
Make you cum all over the place like I can  
I can never stop I'm a dirty old man  
Yea we can fuck but I'll never be your boyfriend  
Ha, ha, ha  
Ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder  
You hate you drink

You love you kill you  
You hate you drink  
You love you kill you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
Ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder  
Oh mommy, don't be so shy  
Those fake tits sit up so high  
I said 'damn' when you first walked by  
Let's go have a drink, let's go get high  
Let's have a drink, let's go get high  
I like your style and your kitty cat eyes  
I'll make you laugh, I'll make you cry  
I bet you'll cum by the time I'm done  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could ever tear you the way that I can  
Take you to the top of the places, I can  
I can never stop, I'm a dirty old man  
You can be my lady but I'll never be your boyfriend  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could bend you over the way that I can  
Make you cum all over the place like I can  
I can never stop I'm a dirty old man  
Yea we can fuck but I'll never be your boyfriend  
Ha, ha, ha  
Ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder

You hate you drink  
You love you kill you  
You hate you drink  
You love you kill you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
I love fucking you  
I can't get enough of you  
No, ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder  
Oh daddy, take me, rape me  
Murder me, kill me, hate me  
Daddy, I want you in so deep  
Make it hurt, put me to sleep  
Oh daddy, take me, rape me  
Murder me, kill me, hate me  
Daddy, I want you in so deep  
Make it hurt, put me to sleep  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could ever tear you the way that I can  
Take you to the top of the places, I can  
I can never stop, I'm a dirty old man  
You can be my lady but I'll never be your boyfriend  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
That's my pussy, that's yo pussy  
She took me and she put me inside  
No one could bend you over the way that I can  
Make you cum all over the place like I can  
I can never stop I'm a dirty old man  
Yea we can fuck but I'll never be your boyfriend  
Ha, ha, ha  
Ooh  
It's murder, it's murder  
Ooh  
It's murder, it's murder
