

# Modern World

David Wilcox

This is the modern world  
This is the modern world  
What kind of fool do you think I am?  
To think I know nothing but the modern world  
All my life is spent outside  
I will turn my head and leave  
Is my inspiration dry?  
I'll know more than you'll ever know  
Even at school I felt quite sure  
And one day I'll be on top  
And I'd look down upon the map  
And teachers said I don't mean a thing  
This is the modern world  
That I look about  
This is the modern world  
We don't need no one to tell us what's right or wrong

Say what you would like  
'cause I don't care  
I know what I am and what to do  
Somewhere I will see you  
Don't have to explain myself to you  
Don't give two f\*\*\*s about you  
This is the modern world  
That I look about  
This is the modern world  
We don't need no one to tell us what's right or wrong  
Well this is...  
Yeah we don't need no one  
what's right or wrong  
Wrong  
This is the modern world  
This is the modern world
