

Safe European Home

The Clash

Well, I just got back an I wish I never leave now
(Whered you go?)
Who that Martian arrival at the airport, yeah?
(Whered you go?)How many local dollars for a local anesthetic?
(Whered you go?)
The Johnny on the corner was very sympathetic
(Whered you go?)I went to the place where every white face
Is an invitation to robbery
An sitting here in my safe European home
Dont wanna go back there againWasnt I lucky, wouldnt it be lovely?
(Whered you go?)
Send us all cards and have a lay in on Sunday
(Whered you go?)I was there for two weeks, so how come I never tell now
(Whered you go?)
That natty dread drinks at the Sheraton Hotel, yeah?
(Whered you go?)I went to the place where every white face
Is an invitation to robbery
An sitting here in my safe European home
Dont wanna go back there againAh-ah, ah-ah, ah-ahThey got the sun and they got the palm tress
(Whered you go?)
They got the weed and they got the taxies
(Whered you go?)Whoa, the harder they come and the home of ol Bluebeat
(Whered you go?)
Id stay and be a tourist but cant take the gun play
(Whered you?)I went to the place where every white face
Is an invitation to robbery
An sitting here in my safe European home
Dont wanna go back there againWhat? Rudie come from Jamaica, Rudie cant fail
