

# I Still Believe In Santa Claus

## New Kids On the Block

I still believe in Santa Claus  
Maybe thats just because Im still a child at heart  
And I still believe in Old St. Nick  
But then again maybe thats the trick we need  
We need to retreat to a world of make believe Lets make this Christmas last forever  
Shine a little love along the way  
For the sake of all children let love show us the way I still believe in Santa Claus  
Maybe thats just because Im still a child at heart  
And I still believe in Old St. Nick  
But then again maybe thats the trick we need  
We need to retreat to a world of make believe This time of year is for the giving  
This time of year is for the joy  
May joy and happiness be with you always this day
