Tricky

Don't hold me, don't fuck with me.
Just do it.
[bjork babble] ooooh.
[bjork babble] ooooh.
[bjork babble]
Don't hold me down, don't fuck with me.
I can want it.
[bjork babble] ooooh.
(x2)
(beautiful bjork babble)
Oooooh.
Just do it, don't fuck with me.
Don't hold me down, I'm jumping.
(bjork-ese till end)
