

# Holding This Rope

[Tim Halperin](#)

At midnight she tells me  
That she loves me  
I know it's because we,  
We just can't get enough  
It's getting harder to focus,  
I'm stuck inside this business  
She knows the words to tell me  
When the going gets tough I step into the driver's seat  
And I head for the highway  
I'm rolling down the windows,  
I'm making sure the wind's  
Still blowing my way  
And I say...We are holding this rope,  
Yeah, we are holding this rope,  
We are holding this rope  
And she knows that I won't,  
Yeah, she knows that I won't ever let go In Oklahoma,  
The raindrops hit the pavement,  
Well, then it hits me  
The sun has slipped away,  
Not to worry,  
Our song comes on the radio  
I'm singing words  
That let me know I'll be okay And sometimes I don't know  
How I've got it so good  
She pulls me in and holds me,  
I let her take me hostage again  
And I say...We are holding this rope,  
Yeah, we are holding this rope,  
We are holding this rope  
And she knows that I won't,  
Yeah, she knows that I won't ever let go The way I understand it,  
That I have one life to live  
I can't wait to see  
How much loving I can give  
With every day I'm knowing  
That I don't know where I'm going  
But I really don't care,  
I'm going with her...Hmm, yeah,

And we are holding this rope,  
Yeah, we are holding this rope,  
We are holding this rope  
And she knows that I won't,  
Yeah, she knows that I won't ever let go...
