

# Nong Eye Gong

## The Dillinger Escape Plan

Now  
You laugh forever you laugh  
The winner and the best man  
Corrupter  
Shapeshifter  
Your voice is the sound of nothing  
Butcher of every artform  
Peddler of deceit  
Watching the hour hand drag  
Destroyer of the past  
We're smart enough to say we're sorry  
Not smart enough to start again  
Dancing in death's illusion  
The pride before the fall  
Candy for the children  
Give it to them all
