

# True To Your Heart

## 98 Degrees

Baby, I knew at once T  
That you were meant for me  
Deep in my soul I know  
That I'm your destiny  
Though you're unsure  
Why fight the tide  
Don't think so much  
Let your heart decide  
Baby, I see your future  
And it's tied to mine  
I look in your eyes  
And see you searching for a sign  
But you'll never fall  
'Til you let go  
Don't be so scared  
Of what you don't knowChorus  
True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
(Got to be true to your heart)Someone you know is on your side  
Can set you free  
I can do that for you  
If you believe in me  
Why second-guess  
What feels so right  
Just trust your heart  
And you'll see the lightChorusTrue to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me

(Got to be true to your heart)(Ya know it's true)  
Your heart knows what's good for you  
(Good for you)  
Let your heart show you the way  
(Ya know it's true)  
It'll see you through  
(Got to be true to your heart)Girl, my heart is driving me to where you are  
You can take both hands off the wheel and  
still get far  
Be swept away, enjoy the ride  
You won't get lost  
With your heart to guide youChorus  
True to your heart  
You must be true to your heart  
That's when the heavens will part  
And baby, shower you with my love  
Open your eyes  
Your heart can tell you no lies  
And when you're true to your heart  
I know it's gonna lead you straight to me  
(Got to be true to your heart)When things are gettin' crazy (crazy)  
And you don't know where to start (to start)  
Keep on believin', baby (baby)  
Just be true to your heart  
When all the world around you (baby)  
It seems to fall apart (apart)  
Keep on believin', baby (baby)  
Just be true to your heart  
(Got to be true to your heart)When things are gettin' crazy  
And you don't know where to start  
Keep on believin', baby  
Just be true to your heart  
When all the world around you  
It seems to fall apart  
Keep on believin', baby  
Just be true to your heart
