

# Something In The Way

## Tricky

Underneath the bridge  
The tarp has sprung a leak  
And all the animals I have trapped  
Have all become my pets And I'm living off the grass  
And the drippings from the ceiling  
It's okay to eat fish  
'Cause they don't have any feelings Something in the way  
Something in the way Underneath the bridge  
The tarp has sprung a leak  
And all the animals I have trapped  
Have all become my pets And I'm living off the grass  
And the drippings from my ceiling  
It's okay to eat fish  
'Cause they don't have any feelings Something in the way  
Something in the way  
Something in the way  
Something in the way
