Morning Light

Anna Calvi

Morning light
Morning light
Morning light
Morning light
All my lifeBut you never be in love
But you never be in love
But you never be in love
But you never be in loveI stand in the day for my feeling to rise
All my life
But you never be in love
But you never be in love
No lies in wait
Now thy day lies in wait
Rob from always on the run is so bad and copy paste is a sin
Morning light
Morning light
Morning light
All my lifeBut you never be in love
But you never be in love
Farewell rise in the morning goodbyeMorning light
Morning light
Morning light
All my lifeBut you never be in love
But you never be in love
But you never be in love
But you never be in love
Farewell rise in the morning goodbye
