

Game Freak

Ghost Town

So close to where you came from.
Plugged in I'm in your world now.
So lost without a map.
You drop me off on the highest mountain. You know I'm dying out here.
Lost hope and my will to live.
In your bed my heart is hopeless.
You're so cruel to treat me like this. Got a needle and my mouth is stitched.
I'm taking in everything that I can see.
You don't know a thing about me.
Not a god damn thing about me,
Not a god damn thing (Woah) Timing's everything,
gotta get that shit right
it might get tight (Woah oh)
[x2] Timing's everything,
gotta get that shit right
it might get tight
Breaking through that spotlight
Chick's a game freak hurting all them boy sheep.
She's a wolf and I like it when she bites me She's a wolf and I like it when she bites me (Woah oh oh oh)
[x2] Passed out like my eyes have never opened before,
Then I left my body now I'm reading you a thought at a time.
This ain't a privilege but a long lost right
Close your eyes and open your mind. Defying gravity (oh)
Gotta give it up I'm breaking in
These thoughts of you and me (Oh oh oh) Got a needle and my mouth is stitched.
I'm taking in everything that I can see.
You don't know a thing about me,
Not a god damn thing about me,
Not a god damn thing Timing's everything,
gotta get that shit right
it might get tight
Breaking through that spotlight
Chick's a game freak hurting all them boy sheep. She's a wolf and I like it when she bites me
[x2] In this darkness I see colors
This dimension ain't big enough for you and I
You got me waiting, but your mind is made up.
Just let it go and show me what you're made of Timing's everything,
gotta get that shit right
it might get tight

Breaking through that spotlight
Chick's a game freak hurting all them boy sheep.
She's a wolf and I like it when she bites me (like it when she bites me).
