

# Aftermath

## Adam Lambert

Have you lost your way?  
Livin' in the shadow of the messes that you made  
And so it goes  
Everything inside your circle starts to overflow  
Take a step before you leap  
Into the colors that you seek  
You get back what you give away  
So don't look back on yesterday  
Wanna scream out, no more hiding  
Don't be afraid of what's inside  
Gonna tell ya you'll be alright  
In the aftermath  
Anytime anybody pulls you down  
Anytime anybody says you're not allowed  
Just remember you are not alone  
In the aftermath  
You feel the weight  
Of lies and contradictions that you live with everyday  
It's not too late  
Think of what could be if you rewrite the role you play  
Take a step before you leap  
Into the colors that you seek  
You get back what you give away  
So don't look back on yesterday  
Wanna scream out, no more hiding  
Don't be afraid of what's inside  
Gonna tell ya you'll be alright  
In the aftermath  
Anytime anybody pulls you down  
Anytime anybody says you're not allowed  
Just remember you are not alone  
In the aftermath  
In the aftermath  
Before you break, you have to shed your armor  
Take a trip and fall into the glitter  
Tell a stranger that they're beautiful  
So all you feel is love, love  
All you feel is love, love  
Wanna scream out, no more hiding  
Don't be afraid of what's inside  
Wanna tell you you'll be alright  
In the aftermath  
Wanna scream out, no more hiding  
Don't be afraid of what's inside  
Gonna tell ya you'll be alright  
In the aftermath  
Anytime anybody pulls you down  
Anytime anybody says you're not allowed  
Just remember you are not alone  
In the aftermath

In the aftermath Gonna tell ya you'll be alright  
In the aftermath  
In the aftermath Just remember you are not alone  
In the aftermath
