With My Eyes Closed

The Raveonettes

I close my eyes
To hurt you, to live you
I never told you
That I could stay
It was never meant to be
For me
Everyone surely will tell you
That I will need you
But I don't believe you
'Cause I've never had it
The way I'm supposed to
Believe me when I say
It was never meant to be
For me
Everyone surely will tell you
That I will need you
But I don't believe you
I close my eyes
To hurt you, to live you
I've never told you
That I could stay
It was never meant to be
For me
