

Show No Love (feat. WrdUp)

Donell Lewis

[Chorus - Donell Lewis]

I dont save hoes, I save my money

I see all the thirsty ladies in the club

I'ma take one to the crib, but I show no love

Cause I don't save hoes, I save my money

I see all the thirsty ladies in the club

I'ma take one to the crib, but I show no love

Cause I don't save hoes[Donell Lewis]

Mm yes I don't

I've been here bout 4, 5 mins now she want

Me to make my way to the floor

The type of girl gonna make any man broke

But it don't phase me, I'm chasing that paper

Aint no hoe gon get in my way

Eventually, she gon learn her place

Suck my D and stay in your lane

Ooh she kill'en it, she can work it real good and she kill'en it

Everybody want a piece of her and I know that

She wanna be famous but thats too bad

Cause[Chorus - Donell Lewis]

I dont save hoes, I save my money

I see all the thirsty ladies in the club

I'ma take one to the crib, but I show no love

Cause I don't save hoes, I save my money

I see all the thirsty ladies in the club

I'ma take one to the crib, but I show no love

Cause I don't save hoes[Wrdup]

Uh, she sound like a villain

She got a man, but she still lookin for a drillin

I be catchin flights and she tryna cash feelins

I be headin to the bank and I feelin make a killin

Ya'll ready know

My team on the top floor pop more

Bottles and she open like a four door oh lord

Good god have mercy

She down for the team, god damn she be thirsty

I do it real best side talkin B.I.G.

Or west side THUG LIFE 2 P.A.C.

No tom ford side, psh tryna feel on me

She already know what its gonna be
Cause[Chorus - Donell Lewis]
I dont save hoes, I save my money
I see all the thirsty ladies in the club
I'ma take one to the crib, but I show no love
Cause I don't save hoes, I save my money
I see all the thirsty ladies in the club
I'ma take one to the crib, but I show no love
Cause I don't save hoes[Fortafy]
Yo
See I just finished my show
Filled up my cup, that 42 below
Corner of my eye, she standing there an a pole
Said I follow you on twitter and theres something you should know
Body marked up, I got it as my tone
She could tell from the scene she was spoken with a pro
No John Doe shit, I'm on a rapper tip
The words that I spit make a church girl strip
If she ask for my card, ima tell her go fish
She the type if you miss you better be rich, baby
Throwin deuces out my eye
I could see every guy with their eye on ya[Chorus - Donell Lewis]
I dont save hoes, I save my money
I see all the thirsty ladies in the club
I'ma take one to the crib, but I show no love
Cause I don't save hoes, I save my money
I see all the thirsty ladies in the club
I'ma take one to the crib, but I show no love
Cause I don't save hoes
