

Sweet Lovin' (feat. Bryn Christopher)

Sigala

Sweet ooah

Your sweet ooah Your sweet sweet lovin' won't you put it on me?

Keep me coming cos you're all that I need

You give me love, I give you everything that you want

As long as you love me Your sweet sweet lovin, lovin, lovin me

Keep it coming, comin, comin eh

Your sweet sweet lovin, lovin, lovin me

As long as you love me Your sweet sweet lovin, lovin, lovin me

Keep it comin, comin eh

Your sweet sweet lovin, lovin, lovin me

As long as you love me Your sweet sweet lovin won't you put it on me?

Keep it coming cos you're all that I need

You give me love, I give you everything that you want

As long as you love me

ehhhhhh Your sweet sweet lovin, lovin, lovin me

Keep it coming, coming, coming eh

Your sweet sweet lovin, lovin, lovin me

As long as you love me

ehhhhhh Anticipating what you're going to do with my love (my love)

In your arms you will hold me,

Hold me down with your love Your sweet sweet lovin won't you put it on me?

Keep it coming cos you're all that I need

You give me love, I give you everything that you want

As long as you love me

ehhhhhh Your sweet sweet lovin, lovin, lovin me

Keep it coming, coming, coming eh

Your sweet sweet lovin, lovin, lovin me

As long as you love me

ehhhhhh
