

# The Ascension

## Rave The Requiem

I am swimming in a sea of disgrace  
Drowning in a medical haze

But my heart is at the brink of dessication  
Bled out to keep pride in love  
No love lost  
No love found  
Damnation from any God above

Now I stand the fool  
In the play I thought I wrote  
She is still summer heat  
I am April snow

It was Jesus who tempted the Devil in the desert  
And the Devil who said no

NAIL ME  
CRUCIFY  
ENSLAVE ME  
END IT ALL BY DRIVING A STAKE INTO MY HEART

HOLY MARY  
LET HER TAKE ME  
ROLL BACK THE STONE  
FORSAKE ME

I WON'T SACRIFICE ETERNITY AS GOD  
I BELONG TO THE SKY
