

Don't Let It Break Your Heart

Coldplay

And
If I lost the map
If I lost it all
I fell into the trap
Then she'd call
When you're tired of racing, and you
Find you never left the start
Come on baby, don't let it break your heart
Though
Heavily we bled
Still on we crawl
Try to catch a cannonball
And a slow burning tide

Through my veins is flowing
From my shipwreck I heard her call
And she said
When you're tired of aiming your arrows
Still you never hit the mark
Even in your rains and shadows
Still we never gonna part
Come on baby, don't let it break your heart
Wooh ooohh ooohh ooohh ooohh ooohh
Don't let it break your heart
Wooh ooohh ooohh ooohh ooohh ooohh
Don't let it break your heart
Don't let it break your heart
