

# Playa 4 Life (feat. Iamsu)

Rochelle Jordan

Lets take it back to the start  
I was falling hard, you knew what it was  
Look at what you do right now  
Look at that you did right now  
Gave my world totally  
Only to find out i wasn't enough  
Look at what you did right now  
Look at what you did right now  
Fast forward  
Been with him for a minute  
Committed  
Good guy, and i mean it  
Everything i want and i needed  
But now i find it hard to trust a nigga  
And now i cause the pain instead of endure  
I don't know how to trust anymore  
And i got another guy on the go  
And nah, i wouldn't call me a ho  
But yoIt's a real damn shame  
Cause ima be a playa for life  
Ima be a playa for life  
For life  
What you do to me  
Did me so wrong and now  
I think ima be a playa, playa for life  
Back, back to the beginning  
I swear i wanted to have your kids and  
I feel like a fool right now  
Look at what you do right now  
All the while you had two on the go  
And to hear her voice on the telephone  
The way that i found out  
Look and what you do right now  
Fast forwardI heard you said that you regret it  
It don't change the fact that i'm affected  
Niggas always thinking that they got me  
Not me  
I will never wear my heart on my sleeve  
And now i play the game with hearts galore

Cause i don't know how to trust anymore  
Good girl gone bad no one can undo  
Only one to blame is you, and  
It's a real damn shame  
Cause ima be a playa for life  
Ima be a playa for life  
For life  
What you do to me  
Did me so wrong and now  
I think ima be a playa, playa for life  
Miss Rochelle, carry yourself so well  
You presence is a gift, marry christmas  
Noel  
But i've been everywhere but home  
Doing show, writing songs  
Probably not answering phones, try not to string you along  
And it makes it hard to think sometimes  
I'm smoking everyday it makes me drink sometimes  
With that combined with our energy, draw sympathy  
Classic, like a symphony  
Girls tryin to get with me, and take my focus  
But i refused to give a dime to a broke bitch  
And every other girl i find, got me hopeless  
I'm trying to give her piece of mind when i wrote this  
I'm living doing me, and maybe you could see  
I really hope that you can be everything you believe  
Cause i believe in you  
And as crazy as it sounds it's true  
Being a playa is what i'm bound to do  
Aye aye!  
It's a real damn shame  
Cause ima be a playa for life  
Ima be a playa for life  
For life  
What you do to me  
Did me so wrong and now  
I think ima be a playa, playa for life
