

I Can't Get You Off My Mind

[Hank Williams](#)

I can't get you off of my mind
When I try, I'm just wastin' my time
Lord, I've tried and I've tried and all night long I've cried
But I can't get you off of my mind Well, you think you would leave me behind
But I guess you're the good timin' kind
Do you think that it's smart to jump from heart to heart
When I can't get you off of my mind I can't get you off of my mind
When I try, I'm just wastin' my time
Lord, I've tried and I've tried and all night long I've cried
But I can't get you off of my mind You believe that a true love is blind
So you fool every new love you find
You've got stars in your eyes, but they can't hide the lies
I can't get you off of my mind
