Mercutio

I don't wanna be the one who tells you
I don't want the truth to seem like it's true
I don't need a plan to know it's you again
I don't need to stay to know where I've been
And I don't wanna do anymore than you
I don't wanna do anymore than you
I don't wanna do anymore than you!
I don't wanna do anymore than you
I don't wanna do anymore than you!I don't need to be the first one, first now
In the days now and it's so loud!
I don't need to go, I am in...
It's ...around the...
I still feel the same!
I was wrong, you were wrong
I was wrong, you were wrong
I don't wanna do anymore than you
I don't wanna do anymore than you!
I don't wanna do anymore than you
I don't wanna do anymore than you!
We're leaving that far behind
We're leaving that far behind
