

# Lonely Is the Night

## Air Supply

Really thought that I could live without you  
Really thought that I could make it on my own  
Sent you away, yeah I said, "I didn't need you"  
I let you go, I let you go, I let you go Now I'm so lost without you, now you're not here and now I know  
Lonely is the night when I'm not with you  
Lonely is the night ain't no light shining through  
Till you're in my arms till you're here by my side  
Lonely am I Never thought that I, that I would need you  
Never thought that I, that I'd be missing you  
Gotta get you back I've just got to find a way now  
To let you know, to let you know, to let you know That I'm so lost without you, now this world it ain't just right  
Lonely is the night when I'm not with you  
Lonely is the night ain't no light shining through  
Till you're in my arms till you're here by my side  
Lonely am I I can make it through the day, I can fake it okay  
I just smile and pretend and I tell myself I'll be alright  
But lonely is the night, lonely is the night Now I'm so lost without you, now you're not here and now I know  
Lonely is the night when I'm not with you  
Lonely is the night there's no light shining through  
Till you're in my arms, till you're here by my side  
Lonely is the night Lonely is the night when I'm not with you  
Lonely is the night there's no light shining through  
Till you're in my arms, till you're here by my side  
Lonely is the night Lonely is the night when I'm not with you  
Lonely is the night there's no light shining through  
Till you're in my arms, till you're here by my side  
Lonely is the night
