Ridin With the Radio

Crystal Bowersox

Advisory - the following lyrics contain explicit language:

Whatever happened,
Oh, to good ol' Rock'n Roll
Whatever became of, hmm,
Rhythm and Blues and Soul
I'll do what it takes, now,
'Cause I just wanna
Make your mind feel good
The shit that they play now,
Oh, it just don't feel like it shouldSo open your heart, open your mind,
Turn down the hate, turn up the kind
Give me some shelter,
Show me some love,
Let's get together, one is not enough...If you wanna sing a song, you just sing it
We're riding with the radio
You wanna bring a friend,
You just bring'em
Then we can sing it in stereo
You wanna sing a song, sing a song,
Sing a song, uuh, just sing it,
Yeah, yeah, yeah,
Yeah, yeah, yeah...I know I see kindness,
Hmm, when I look into your eyes
Why you trying to hide it
Oh, honey, just let your love light shine
Get back to the roots, now,
Of these rhythm and harmonies
And just love, love, love,
Love, love...If you wanna sing a song, you just sing it
We're riding with the radio
You wanna bring a friend,
You just bring'em
Then we can sing it in stereo

You wanna sing a song, sing a song,
Sing a song, uuh, just sing it,
Yeah, yeah, yeah,
Yeah, yeah, yeah...If you wanna sing a song, you just sing it,
Hmm, we're riding with the radio
You wanna bring a friend,
You just bring'em
Then we can sing it in stereo
You wanna sing a song, you just sing it
We're riding with the radio
You wanna bring a friend,
You just bring'em
Then we can sing it in stereo
You wanna sing a song, sing a song,
Sing a song, uuh, just sing it,
Yeah, yeah, yeah,
Yeah, yeah, yeah...Hey, yeah, yeah, uuh,
Love, love, love,
You just gotta love, baby,
Uuh, ooh,
You just gotta love, baby,
Hmm, If you wanna sing a song,
You just sing it...
