

# Gokula (Live at Moles)

## Kula Shaker

[Verse 1]

If you won't set me free  
I'll have to ride on my own  
If you won't let me be  
I'll have to find my way home[Bridge]  
Well the minutes that are getting faster  
Push me closer to the edge

Aah....

Aah....[Verse 2]

I'm not a photograph  
I've got a mind of my own  
If you won't set me free  
I'll have to find my way home

Aah....

Aah....

Aah....
