I Go To Pieces

[Linda Ronstadt](#)

I've been wrong
I've been of no use
I wander these streets alone
Heard every excuseI go to pieces
Why don't you
Get carried away
I go to pieces
Why don't youI've know all about
The pain I've caused you
I wish I could run away
What else can I do'Cause I go to pieces
Why don't you
Stick in my sideI go to pieces
Why don't you
Hear anything that I say
Watching you drifting awayI've known all about
Love I've refused
I tried to hide you away
Ain't no useI go to pieces
Why don't you
Know what it means
I go to pieces
Why don't you
Get carried awayI go to pieces
Why don't you
Why don't you
Why don't you
