

# Castles Made Of Sand

Chaka Khan

Down the street you can hear her scream you're a disgrace  
As she slams the door in his drunken face  
And now he stands outside  
And all the neighbors start to gossip and drool  
He cries oh, girl you must be mad,  
What happened to the sweet love you and me had?  
Against the door he leans and starts a scene,  
And his tears fall and burn the garden green  
And so castles made of sand fall in the sea, eventually  
A little Indian brave who before he was ten,  
Played war games in the woods with his Indian friends  
And he built up a dream that when he grew up  
He would be a fearless warrior Indian Cheif  
Many moons past and more the dream grew strong until  
Tomorrow he would sing his first war song and fight his first battle

But something went wrong, surprise attack killed him in his sleep that night  
And so castles made of sand melts into the sea, eventually  
There was a young girl, who's heart was a frown  
cause she was crippled for life,  
And she couldn't speak a sound  
And she wished and prayed she could stop living,  
So she decided to die  
She drew her wheelchair to the edge of the shore  
And to the ledge she smiled you wont hurt me no more  
But then a sight she'd never seen made her jump and say  
Look a golden winged ship is passing my way  
And it really didn't have to stop, it just kept on going...  
And so castles made of sand slips into the sea, eventually
