

# Lenny/Man On The Side

## John Mayer

Six numbers one more to dial  
Before I'm before you  
I tried to call been busy all night  
Gave up waitin' at daylightExcuse me Mrs. Busybody  
Could you pencil me in when you can?  
Though we both know that the worst part about it  
Is I would be free when you wanted me, if you wanted meI am the man on the side  
Hopin' you'll make up your mind  
I am the one who will swallow his pride  
Life as the man on the sideOne of the many  
One of the few  
To stand back and wait for youExcuse me Mrs. Busybody  
Could you pencil me in when you can?  
Though we both know that the worst part about it  
Is I would be free when you wanted me  
If you wanted me  
If you wanted me, hey, heyI am the man on the side  
Hopin' you'll make up your mind  
I am the one who will swallow his pride  
Life as the man on the side  
Life as the man on the sideI fell in love with a dream that I built of you  
Playin' the part of the queen  
Takin' my own advice  
I'm givin' up tonight, good luck to you and the kingExcuse me Mrs. Busybody  
Could you pencil me in when you can?  
Though we both know that the worst part about it  
Is I would be free if you wanted me  
When, when you wanted me  
Ohh, when you wanted babeI am the man on the side  
Hopin' you'll make up your mind  
I am the one who will swallow his pride  
Life as a man, you know life as a man  
Livin' life as a man on the side
