

They Got The Word

Mississippi Mass Choir

They got the word (they got the word)
They got the word (they got the word)
Oh I'll (be at the great coronation)
It's gonna be held (in the middle of the air)
They got the word (they got the word)
I say yes to Jesus (they got the word)
That I'll meet them in that city (built four square) There's a great coronation coming up
Filled with joy and gladness
There are special guest attending
It will be all the children of the Lord
I've got a standing invitation
With all the Saints from every nation
We'll be there (be there, be there, be there, be there)
Be there when they (crown him lord of Lords) We are our Father's Children
One, united, in God, Jesus Christ
We are on our way to that great coronation
Where we'll (crown Him Lord of Lords) Wait til I get there, wait til I get there
Wait til I get there, wait til I get there
Wait til I get there, wait til I get there
Curtains fall
Roll is called
World of sin
Marching in
Crown him, crown him, crown him, crown him
Be there when they (crown him Lord of Lords)
