

Dare You to Trust My Love

[Ryan Stevenson](#)

You've been stuck living underneath the pressure to please me
But you can stop trying to compete for what I've given freely
There's no doubt you are burned out; your prayers are nothing more than routine
Always looking over your shoulder, hoping that I won't leave
I dare you to trust my love; I dare you to trust my love
And believe that I can see inside your heart, and I won't run
The skeletons you have buried deep, they are forgiven
My promises I will always keep, you've got to believe it, yeah
I dare you to trust my love (I dare you); I dare you to trust my love (I dare you)
And believe that I can see inside your heart, and I won't run, whoa
I dare you to trust my love (I dare you, yeah); I dare you to trust my love (I dare you)
And believe that I am on your side, and my grace won't give up
So you can let go, you can let go
I'm strong enough, for the both of us
So you can let go, you can let go
I'm strong enough, for the both of us
I dare you to trust my love; I dare you to trust my love
And believe that I can see inside your heart, and I won't run
I dare you to trust my love (I dare you); I dare you to trust my love (I dare you)
And believe that I am on your side, and my grace won't give up
I dare you (I dare you), I dare you (I dare you); ohhh, whoa
I dare you to trust my love
