

# Raven Heart

[W.a.s.p.](#)

Angel of Orleans in me I'll tell you no lies  
Ravens have bore me wings to fly  
King of the night time forever it's all I'm living for  
I'll embrace my immortal forever night  
Raven, say you want me to  
Rain the dark on forever you  
Raven heart, no there ain't nothing dark that I won't do  
My raven heart'll bleed all over you  
One crimson kiss is bleeding my raven heart  
Tales of the darkside here is all right  
Bring me the night time forever it's all you're dying for  
Take my hand and I'll show ya forever night  
Raven, say you want me to  
Rain the dark on forever you  
Raven heart, no there ain't nothing dark that I won't do  
My raven heart'll bleed all over you  
Raven, say you want me to  
Rain the dark on forever you  
Raven heart, no there ain't nothing dark that I won't do  
My raven heart'll bleed all over you  
Raven, say you want me to  
Rain the dark on forever you  
Raven heart, no there ain't nothing dark that I won't do  
My raven heart'll bleed all over you
