

It's Time

Glee Cast

So this is what you meant when you said that you were spent?
And now it's time to build from the bottom of the pit right to the top,

Don't hold back

Packing my bags and giving the academy a rain-check

I don't ever want to let you down
I don't ever want to leave this town
Cause after all
This city never sleeps at night...

It's time to begin, isn't it?
I get a little bit bigger, but then,
I'll admit, I'm just the same as I was
Now don't you understand
That I'm never changing who I am?

So this is where you fell, and I am left to sell
The path that heaven runs through miles of clouded hell,
Right to the top
Don't look back
Turning to rags and giving the commodities a rain-check

I don't ever want to let you down
I don't ever want to leave this town
Cause after all
This city never sleeps at night...

It's time to begin, isn't it?
I get a little bit bigger, but then,
I'll admit, I'm just the same as I was
Now don't you understand
That I'm never changing who I am?

It's time to begin, isn't it?
I get a little bit bigger, but then,
I'll admit, I'm just the same as I was
Now don't you understand
That I'm never changing who I am?

This road never looked so lonely,

This house doesn't burn down slowly,
To ashes, to ashes...

It's time to begin, isn't it?
I get a little bit bigger, but then,
I'll admit, I'm just the same as I was
Now don't you understand
That I'm never changing who I am?

It's time to begin, isn't it?
I get a little bit bigger, but then,
I'll admit, I'm just the same as I was
Now don't you understand
That I'm never changing who I am?
