

Just a Little Too Much (Alternative Version)

Ricky Nelson

Sometimes I think I love you, aw, just a little too much
You know you thrill me, baby, with your magic touch
That's why I want you, honey, and love you like I do
I'm gonna scream and shout it
There ain't no doubt about it

That's why I love you like I do (like I do) Well, sometimes I think you kiss me, aw, just a little too much
You drive me crazy, baby, with your magic touch You make me feel so good when the moon is shinin' bright
With our lips together and you're squeezin' me so tight
Well, I went steady once before, though I'd love the girl next door
She stepped out on me, you see, and couldn't be true
But I got over all my dreams, time went by so fast, it seems
But now I know I'll never get over you [SPOKEN:] all right
Well, sometimes I think I love you, aw, just a little too much
You know you thrill me, baby, with your magic touch
That's why I want you, honey, and love you like I do
I'm gonna scream and shout it
There ain't no doubt about it
That's why I love you like I do (like I do)
