

# Be My Man

Jill Barber

If I promise to be good  
And do everything that I should  
And be the best woman that I can  
Will you promise to be my man If I swear all my love to you  
If I swear always to be true  
To be the one that you'll know will understand  
Will you promise to be my man What on earth did I do to deserve  
This little piece of heaven above  
Where did you get the nerve  
are you trying to spoil me with love If I promise to be good  
And do everything, everything that I should  
You could make me the happiest woman in the land  
If you promise to hold me tight  
If you promise to treat me right  
If you promise to be my man  
To be my man...
